

# Mirror Installation Instructions

Please read these instructions first. We reserve the right to change product specifications due to possible technical improvements.

1. Identify a position which does not fall into "Zone 1" as shown.

**ZONE 1**

Refers to the area above the bath or the shower, up to a height of 2.25 metres. The minimum rating required here is IPX5.

**ZONE 2**

Covers an area of 0.6 metres wide immediately next to, and all around "Zone 1". Washbasins should also be treated as "Zone 2". The minimum rating required here is IPX4.

**OUTSIDE ZONE**

Has no special requirements, unless water jets are likely to be used for cleaning purposes.
